

SIR Winston

RESTAURANT & BAR

IN THE AUTUMN OF 1897 four Englishmen arrived to Skäckerfjällen in the west of Jämtland for a one-month stay. They came to hunt moose and ptarmigan and to fish for big trout in the flowing waters. One of the four was Winston Churchill. Among many other things, he later became the Prime Minister of United Kingdom and a Nobel Laureate in literature.

He also became known as a great lover of the good life, food and drinks. Just like Winston Churchill and his soul-mates we are fascinated by Jämtland's wealth of exquisite ingredients.

Welcome to Sir Winston Restaurant & Bar!
